Attn: Village Board

Dear Board Members,

We have received your kind donation toward the operation of the Historic Robert Vial House Museum.

This donation helps us present historical programs of interest to the community and it helps us provide exhibits at the museum. Of particular interest at this time is our exhibit of "Early Settlers of the Flagg Creek Area" featuring short histories and photos of the families who settled in this area during the 1800's.

We were pleased to be able to take part in the recent dedication of the Schustek Pond, that took place at the North American Spine Society, commemorating Bruno Schustek who was killed in 1930 in an accident while heroically saving a young lady. The plaque at the pond is very nice.

We also have had a table at the Farmers' Market and will be having another one soon.

In October we have a program featuring Leslie Goddard re-enacting Eleanor Roosevelt and In November Rochelle Pennington will present a program on the sinking of the "Edmund Fitzgerald" ship in Lake Superior - both very interesting programs!

Thanks again for your generous contribution.

Sincerely,

Linda Petrasek,  
Secretary

## STATE BUDGET

Both chambers returned to Springfield this week, though no apparent progress was made towards resolving the state's budget crisis. The Senate unanimously passed legislation allowing the state to appropriate \$4.8 billion in federal money for human services programs. The Governor supports the bill. However, DMMC's lobbyist reports that it is rumored the House Democrats planned to add a \$200 million pension payment for Chicago Public Schools to the pending appropriations bill. Governor Rauner fired back that that proposal was "unacceptable." The House will consider the bill next week when it returns to Springfield.

The Senate also approved legislation to raise the fiscal year's K-12 education appropriations to Governor Rauner's introduced levels. The vote was 49-7, with several Republicans voting in support.

## PROPERTY TAX FREEZE

The Senate passed a property tax freeze bill this week. The amended [SB 318](#) (Sen. Cullerton, D-Chicago; Rep. Currie, D-Chicago) provides for a two year property tax freeze beginning in 2016 for units of local government outside Cook County and 2017 for units of local government within Cook. The bill exempts special police and fire pension levies and separate tax levies municipalities may have established to help pay for police and fire protection from the freeze. SB 318 also provides for partial state funding of the pension obligations owed by the Chicago Public School System and creates a General State Aid Commission to propose revised funding formulas for schools by December 31, 2016.

Democrats voted for SB 318 and the final vote was 38-1-18. The Senate failed to approve the proposal last month, but two Senators switched their votes and supported the amended SB 318. DMMC's lobbyist reports that the bill is likely not going anywhere in the House anytime soon because Speaker Madigan has argued that the state should not be subsidizing local school pension payments. The Governor is expected to veto SB 318.

SB 318 is listed for hearing by the House Executive Committee on Tuesday, August 12. If you wish to record your municipality's position on the bill, you can do so [here](#).

## COLLECTIVE BARGAINING

This week, Governor Rauner told reporters that he would be willing to assist Chicago with its public school financial crisis in exchange for communities in the rest of the state getting more collective-bargaining power. The Governor has indicated that communities should be able to decide what issues they collectively bargain with public employees.

## LOCAL GOVERNMENT CONSOLIDATION AND UNFUNDED MANDATES TASK FORCE

The Local Government Consolidation and Unfunded Mandates Task Force met in Chicago on August 3. This was the seventh meeting of the Task Force. Lieutenant

Governor Sanguinetti reported that the Task Force's recommendation of eight proposals addressing consolidation and unfunded mandates had been shared with Governor Rauner; the Governor was reportedly excited about the progress and looking forward to the Task Force's final report, due December 31, 2015.

The majority of the meeting focused on school district reorganization and higher education procurement with presentations from the Illinois State Board of Education and Illinois State University respectively. Dr. Norm Walzer also discussed how Northern Illinois University is assisting the Task Force with a consolidation and unfunded mandates study. Dr. Walzer stated his belief that local elected officials are the most suitable people to identify unfunded mandates and decide how important they are. A questionnaire will be sent to governmental associations to assist in gathering information for the study.

## LEGISLATIVE CALENDAR

The House met earlier this week before adjourning until Tuesday, August 25. The Senate is scheduled to return next Wednesday, August 19.

## FEDERAL FUNDS APPROPRIATED

Some progress was made this week when the House advanced legislation to appropriate federal funds. After the Senate approved [SB 2042](#) (President Cullerton, D-Chicago; Speaker Madigan, D-Chicago) last week, House Democrats filed an amendment to include additional federal and state funds in the measure. Governor Rauner, who originally supported the Senate bill, objected to the amended version. Extensive discussion on the House floor on Wednesday saw the defeat of the amended bill by a vote of 54-2-4, with many members not voting. An additional amendment was then filed which enacted only federal spending. This version passed the House with a vote of 98-0. The bill next returns to the Senate for concurrence.

## PROPERTY TAX FREEZE LEGISLATION

[SB 318](#), sponsored by Senate President Cullerton (D-Chicago) and Representative Currie (D-Chicago), is scheduled for a subject matter hearing in the House Revenue and Finance Committee on August 18 in Chicago. The bill was also heard earlier this week by the House Executive Committee, though no vote was taken. SB 318 implements a two-year property tax freeze on all taxing districts, including home rule. The freeze would apply to all taxing districts outside Cook County beginning in 2016 and taxing districts in Cook County beginning in 2017. The bill exempts police and fire pension levies and levies related to police and fire operations from the freeze.

There is still no indication at this time whether SB 318 will advance. If you are interested in filing a witness slip to indicate your position on SB 318, you may do so [here](#).
